

**“ YOU HAVE MADE US FOR YOU LORD AND OUR HEART IS WITHOUT REST AS
LONG AS IT DOES NOT REST IN YOU ”**

Today, Saint Augustine invites us to feel God close to us, Emmanuel, God with us.

Dear friends in Christ,

Greetings on behalf of the Cathedral of Saint Savior.

We would like to express our concern for all those who are struggling in one way or another against the difficulties associated with Coronavirus.

In these difficult times, our greatest challenge is to counter fear and for that, we strongly encourage our faithful to join us in prayer. Let us pray for all humanity so that it will last until the end in faith and hope.

It is important to emphasize that you must follow the advice and safety instructions issued by the authorities. New measures are added every day, hence the importance of keeping your information up to date.

Know that despite the worrying progression of the epidemic and social isolation, the bodies of the clerics of the Cathedral of Saint Savior carry you without weary in their prayers.

Also, you can reach us at any time for any questions, concerns or requests. Father Rabih Abou Zgheib will be at your disposal to receive your calls. You can contact him or leave him a message on his cell, at 514 358-3132.

We will be happy to guide you to the best of our ability.

Together we can make a difference,
United in the name of Jesus Christ,

Most Rev. Ibrahim M. Ibrahim,
Melkite Eparchial Bishop of Canada

R. Father Rabih Abou Zgheib,
B.S. Rector of the Cathedral
