Most Rev. Milad EL JAWICH
Eparchial Bishop

Eparchy Saint-Sauveur of Montreal
for the Melkite Greek Catholics in Canada

Email: bishopmilad@melkite.ca

« The righteous shall be in everlasting remembrance » (Psalm 112:6)

As a sign of recognition and homage to Msgr Georges Coriaty, o.b.s., this eminent figure in the history of our Melkite community in Canada, we have decided to rename the upper floor of the Melkite Center, adjacent to Saint-Sauveur Cathedral in Montreal, “**Aile Mgr Georges Coriaty**”. A space will be dedicated to him, containing a bust, a commemorative plaque, an autobiographical painting, and a shelf displaying some of his personal belongings, to underline the role of this priest in the development of our Melkite Church in Montreal and across Canada.

This upper floor, however, needs to be redesigned and renovated to accommodate a project of great importance to our Eparchy. I am writing to you as one of our community’s “*great benefactors*” to present this **four-point** project:

1- Relocate the **eparchial chancery offices** from the Center’s basement to the upper floor, after redesigning and renovating it to include one office for the bishop, four offices for the chancery, one for the bursar and one for the archives. Among the benefits of this transfer is freeing up the entire basement of the Center for parish activities (Midade, Youth, etc.) and fulfilling the urgent need for new space.

2- Create an **official lounge** next to the bishop’s office. Our Eparchy lacks a large, well-equipped lounge to receive visitors and dignitaries in style.

3- Renovate the classrooms and transforming them into **meeting rooms** with all the necessary audio-visual equipment (blackboard, projector, screen, sound system, etc.) and chairs/tables.

4- Install an **elevator** to connect all three floors of the Center.

The cost of the work is estimated at around **CANS\$970,000**, not including, of course, the subsequent purchase of furniture. Since the Church can only be sustained by its sons and daughters, were counting on your customary generosity to make this project a reality. Your contribution could be made by one of the following methods :

- A cheque made out to *Éparchie Saint-Sauveur*

An online donation at melkite.ca/donation

A tax receipt will be issued for each donation. Thank you in advance for your generosity: Together we build the future!

+ Msgr Milad El Jawich
Eparchial Bishop
